ACHIEVEMENTS

💎 **Detailed Documentation**
While working in a team of manual testers the way I created bug reports and other documentation was taken as a model to follow for the others because of its crystal clear structure and style.

🎓 **Top Student**
Whenever any advanced training courses were taken within the company, my performance always received the highest scores.

🔍 **Bug Hunter**
Proud of an ability to find most dangerous bugs to contribute to the product's quality and save company's time and money.
